

Facing Eviction?

Steps & Resources to Help

**Tenants: Do what you can to keep your household housed.
Here are tips & trusted sources to support you.**

Talk to your Landlord

If you can, talk to your landlord or property manager. Tell them you are working on accessing rent assistance and/or if you are on a waitlist. Listen and write down what your landlord has to say.

Communication can help!

Mediation and Legal Assistance

Mediation and legal advice through these agencies is FREE.

- Safely communicate with your landlord and try to come to an agreement.
- Check to see if what is happening to you is legal.
- Understand your rights.
