

OTHER WAYS TO GIVE

Give More 24! is SW Washington's biggest 24-hour day of giving. When you support NAMI SW WA during this community-wide

event you help us continue offering free mental health programs, support groups, and resources to those who need them.

Your gift strengthens our ability to show up for individuals and families facing mental health challenges every day. You can check out our GiveMore page here:

Each year after the holidays, we begin working on our winter bags, which contain much needed items for our unhoused neighbors.

Monetary donations are appreciated as they allow us to purchase high quality items for those in need in our community.

You can also purchase items from our Amazon Wish List. Just scan the QR code or follow the link to donate

SPONSOR PACKET

The National Alliance on Mental Illness, of Southwest Washington (NAMI SW WA) is dedicated to helping all people affected by mental illness through education, support, awareness, and advocacy.

Our vision is a world where all people affected by mental illness live healthy, fulfilling lives supported by a community that cares.

YOU can help make that a reality!

In today's communities when **1 in 5 people have a diagnosable mental health challenge**, the need for support is greater than ever. Community members experiencing a mental health crisis for the first time often have no idea where to go for information or support.

We at NAMI Southwest Washington (NAMI SW WA) are here to help.

NAMI SW WA is a 501(c)(3) organization that depends on generous donations from community organizations and businesses like yours to support the essential work we do. **We strive to use every dollar received for direct service to individuals, families and the greater community.**
